

Summer Camp 2024 Scholarship Application Suffolk County Farm and Education Center

Please fill out this form if you are seeking a scholarship for Summer Camp. Camp participants must be at least entering kindergarten up to those entering 6th grade in fall 2024.

The Suffolk County Farm and Education Center provides scholarships based on the child's financial need and space available in our program. Scholarships are limited, and a scholarship application does not guarantee a spot in a summer program. Please note the most we are typically able to offer is a 50% discounted rate and only few exceptions are made – again based off of financial need and space available.

The information submitted will be reviewed thoroughly and kept confidential.

Please email your scholarship application to bn224@cornell.edu or mail it to:

Suffolk County Farm and Education Center
Attn: Summer Camp Scholarship
350 Yaphank Avenue
Yaphank, NY 11980

Scholarship applications must be received by Friday, May 10, 2024. Scholarship applicants will be notified of the status of their scholarship by Friday, May 17, 2024.
