

Farm to Meeting

Let us bring the farm to your next virtual meeting!

We have all been part of virtual meetings for a month or so and often the favorite part of the meeting is when a pet or baby makes an appearance. To help support our Education Programs at the Suffolk County Farm and Education Center, Cornell Cooperative Extension of Suffolk County, we are offering special appearances by a farm animal of your choice. Options include: a llama, goat, sheep, horse, cow, pig or chicken.

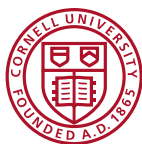

15-minute meeting cameo (\$50)

20-minute meeting cameo (\$75)

30-minute meeting virtual tour (\$100)

How does it work? You pick a timeslot and we call into your Zoom, or other platform with the animal of your choice. We will do a quick overview of the animal and answer questions and then head back to the Farm. You decide how interactive you want to get and how much time you want to spend. If you would like to have us come back week after week with different animals, we can work out a series price for you. Contact Kaylyn Reynolds, kr427@cornell.edu to book your timeslot today!
