# TIANA BAYSIDE FALL PROGRAMS

SUN	MON	TUE	WED	THU	FRI	SAT
01	02	03	04	05	06	07
08	09	10	11	12	13	14
15	16	17	18 Nature Journaling 9 - 10:30 AM  Future Marine Sci Club (12-17) 3:30-5 PM	19	20 Seine + Sketch Tropicals at Old Ponquogue Bridge* 4-6 PM	21
22	23  Plaster Shells 4-6 PM	24	25 Nature Journaling 9 - 10:30 AM  Future Marine Sci Club (12-17) 3:30-5 PM	26	27 Seine + Sketch Seahorses 4-6 PM	28 Marine Habitat Day 11 AM- 4 PM
29	30 Art+Science Coastal/Marine Habitats (6-9 YRS) 9 AM-12 PM (10-14 YRS) 2-5 PM					

Cornell Cooperative Extension  
Marine Program

Tiana Bayside Facility is operated by Cornell Cooperative Extension Marine Program.  
Learn more at [ccesuffolk.org/tianabayside](http://ccesuffolk.org/tianabayside) and follow us on social media @ccemarineprogram!

See reverse side for full program listing.

## CCE Marine Program September Program Listing

(Register for these programs at [cornellmarineprogram.eventbrite.com](https://cornellmarineprogram.eventbrite.com))

*\*\*Unless otherwise specified, all programs are open to all ages. Children under 6 must be accompanied by an adult.*

**Nature Journaling / Walk and Talk Wednesdays**, Starting Sept. 18th (9-10:30am) \*Free program! Open creative hours (10:30am-12pm) \*\*suggested donation for art supplies. Walk and talk with a scientist and local artist while exploring Long Island's seascapes at Tiana Bayside Facility. Learn to document the natural world through observation, writing, sketching, photography, and painting.

**Seine + Sketch: Tropical Castaways at Ponquogue Bridge**- Friday, Sept. 20 (4-6pm) \*Suggested donation. Explore the multitude of marine habitats near the Old Ponquogue Bridge, including salt marsh, eelgrass meadows, and rocky intertidal zones.

**Plaster Shell Ornaments** - Monday, Sept. 23 (4-6pm) \*Program fee: \$20. Search the seashore for shells and other curious objects, learn about the local habitat and sea life, and then learn to use sand to make a plaster pour of your found objects. Art project guided by local artist, Carolyn Munaco.

**Seine + Sketch: Seahorses and Pipefish at Tiana Bayside**- Friday, September 27th (4-6pm) \*Free Program! Seine for seahorses in our local seagrass meadows. Learn about this fascinating species and their cousins, pipefish, and help gather scientific data that will contribute to the conservation and management of the species. \*\*Seining activity is for ages 8+. Younger participants may observe with an adult.

**Long Island Marine Habitat Exploration Day** Saturday, Sept. 28th (11am-4pm) \*Program fee: \$75 Explore Long Island's diverse marine habitats surrounding our Tiana Bayside Facility and make your own artwork, inspired by your adventures!

## Town of Southampton Program Listing (Register for these programs at: <https://southamptonrecreation.net> or by calling 631-728-8585.)

**Future Marine Scientists Club** (3:30-5pm) \*Program Fee: Residents \$150, Non-Residents \$160 (all materials included) \*\*Ages 12-17 Wednesdays: 9/18, 9/25, 10/2, 10/9, 10/16 & 10/23. With Tiana Bay and the Atlantic Ocean as a classroom, students dive deep into the biological, ecological, physical, chemical and geological processes that govern our oceans and planet Earth. Students will gain a broad understanding of our local habitats and receive a certificate of completion that may be helpful in obtaining future internships and marine science opportunities.

**ART + SCIENCE Workshops (on School Holidays)** (9am-12pm, \*\*6-9 yrs) (2-5pm, \*\*10-14 yrs) \*Program Fee: Residents, \$30 Non-Residents \$40 Monday, Sept. 30: Coastal & Marine Habitats Tuesday, Oct. 1: Seahorses Wednesday, Oct. 9: Finfish Monday, Oct. 14: Sharks. Learn about the daily topic and produce your own artwork, guided by local artist, Carolyn Munaco.

## CCE Marine Program October Program Listing

(Register for these programs at [cornellmarineprogram.eventbrite.com](https://cornellmarineprogram.eventbrite.com))

*\*\*Unless otherwise specified, all programs are open to all ages. Children under 6 must be accompanied by an adult.*

**Shark Dissection and Anatomy Workshop** - Friday, October 4th (4-6pm) \*Program Fee: \$25. Hands-on exploration of the biology and inner workings of one of the ocean's top predators, SHARKS!

**Brushstrokes for the Bays** - Tuesday, Oct. 8th (6:30-9pm) Join us for a night of art and fun with artist Carolyn Munaco at Cowfish! Art instruction, all materials and door prize raffles included with \$45 admission (\$40 for Back to the Bays Members, enter your discount code when purchasing ticket). Proceeds benefit Cornell Cooperative Extension of Suffolk County's Back to the Bays Initiative.

**Pirates!** Thursday, October 10 (4-6pm) \*Program fee: \$20 \*\*Ages 6-12 yrs. Learn about the history of pirates on Long Island, go on a treasure hunt, and create oyster pirate ornaments.

**Bootiful Shells** Thursday, October 17 \*\*Ages: 4-6 (10-11am) \$10 / \*\*Ages: 6-12 (4-5:30pm) \$15. Learn about our local bivalves (clams, oysters, mussels, and scallops) and then create a Bootiful clam shell ornament.

**Marine Mammals and Sea Turtles Day**- Saturday, October 12 (11am-4pm) \*Program Fee: \$75. Learn about Long Island's marine mammals and sea turtles with Tiana Bayside and the Atlantic Ocean as a backdrop.

**Spooktacular Clams!** Thursday, October 24th \*\*Ages: 4-6 (10-11:30am) \$15 / \*\*Ages: 6-12 (4-6pm) \$20. Learn about our local bivalves (clams, oysters, mussels, and scallops) and then create a spooktacular clam shell treasure box.

**Shark Day**- Sat. Nov. 2 (11am-4pm) \*Program fee: \$95. Explore local habitats and learn about the biology and importance of sharks, one of the ocean's top predators, and dissect a real shark!

Town of Southampton Program Listing September/October Sessions (Register for these programs at:  
<https://southamptonrecreation.net> or by calling 631-728-8585)

**Future Marine Scientists Club** (3:30-5pm) \*Program Fee: Residents \$150, Non-Residents \$160 (all materials included) \*\*Ages 12-17 Wednesdays: 9/18, 9/25, 10/2, 10/9, 10/16 & 10/23. With Tiana Bay and the Atlantic Ocean as a classroom, students dive deep into the biological, ecological, physical, chemical and geological processes that govern our oceans and planet Earth. Students will gain a broad understanding of our local habitats and receive a certificate of completion that may be helpful in obtaining future internships and marine science opportunities.

**ART + SCIENCE Workshops (on School Holidays)** (9am-12pm, \*\*6-9 yrs) (2-5pm, \*\*10-14 yrs) \*Program Fee: Residents, \$30 Non-Residents \$40 Monday, Sept. 30: Coastal & Marine Habitats Tuesday, Oct. 1: Seahorses Wednesday, Oct. 9: Finfish Monday, Oct. 14: Sharks. Learn about the daily topic and produce your own artwork, guided by local artist, Carolyn Munaco.
